

THE 4 SIMPLE STEPS TO OUR **PRIVATE WATER SUPPLY TESTING SERVICE**

**WHISPER
PUMPS**

YOUR SAMPLE KIT IS DELIVERED

We'll send your water sampling kit to you containing 6 sterile bottles for you to fill with the water.

TAKE SAMPLES & BOOK COLLECTION

Tell us which day you plan to take the samples and we'll arrange a same day courier collection.

WE'LL LAB TEST YOUR SAMPLES

Your samples arrive at our lab for testing - conducted in line with the EU drinking water standard.

WE'LL PROVIDE THE RESULTS

We'll report on our findings, and where necessary, we'll recommend bespoke water treatments.
